Dear Capt Llavore,

Your msg noted with thanks.

I regret to inform you that Guatemala does not have LSF, therefore you have to submit the LSFO Non-Availability report to U.S. EGA authorities.

Please be guided accordingly.

Brgds
Sebastian

Good evening sir,

Please be advise that if the vessel will head to Gloucester for next Voyage we need LSFO 180 MT to arrive safely, we required bunker in Guatemala, the remaining LSFO is not enough up to Gloucester.

Brgds,
Capt.Llavore/CE Subaldo
